**ROBERT KEYGHOBAD**

**VISUAL EFFECTS | INTERNATIONAL ORIGINALS - NETFLIX**

Robert Keyghobad began his career in Hollywood working for former Sony Pictures Entertainment CEO Peter Guber.

Over the past 19 years, Robert has set up several major studio deals including the HBO series *Carnivále*, and the detective comedy *Honey Vicarro* with Jenny McCarthy at 20th Century Fox and Fox Broadcasting Corporation.

Robert has also worked on numerous projects and with artists such as screenwriter-producer David S. Goyer *Man of Steel*, pilot director David Nutter *Game of Thrones*, and producer David Heyman *Harry Potter*.

After working on director Robert Zemeckis' *A Christmas Carol*, and Disney's *Tron Legacy*, Robert took a position with video game developer Electronic Arts (EA) at its worldwide virtual production studio in Vancouver, Canada.

In his role Robert oversaw all of EA's worldwide physical and virtual production aspects. From there he consulted on *Thunder Run* starring Sam Worthington, Gerard Butler and Matthew McConaughey, and with Starz Entertainment on the sci-fi drama series *Incursion*, created by Steven DeKnight *Spartacus*, and he was the Virtual Production Producer on *Warcraft* for Legendary Entertainment and Universal Pictures.

Robert is a citizen of the United States who holds Canadian Permanent Residency and is a member of the Directors Guild of America (DGA), the Directors Guild of Canada (DGC) and Producer's Guild of America.
