INCENTIVES

Factsheet

Australian PDV Screen Incentives

30% POST, DIGITAL & VISUAL EFFECTS OFFSET

A tax rebate of 30% calculated on qualifying post, digital and visual effects (PDV) production expenditure. The production must have a total PDV-related qualifying Australian Production Expenditure (QAPE) of at least AU\$500,000. A production does not need to be filmed in Australia.

PDV (POST, DIGITAL & VFX) OFFSET

FEDERAL REBATE %

30%

STATE REBATE

Can be combined with state and territory incentives and grants. See below for details.

MINIMUM QAPE[^] SPEND

AU\$500,000

QUALIFIERS

Feature, TV series (incl. documentary, reality, animation), TV mini-series.

Web series or film may be eligible if the intent is to be distributed through a curated platform e.g YouTube Premium. A distribution agreement or other documentation will be required.

Productions do not have to be filmed in Australia.

Cannot be combined with Location or Producer Offset.

BENEFITS

Tax Rebate is paid to the Applicant.

Payment is usually made in four weeks from lodgement with the Australian Taxation Office.

CULTURAL TEST, SUNSET OR CAP

No expenditure cap or sunset.

No cultural test.

[^]Qualifying Australian Production Expenditure.

ADMINISTERED BY THE OFFICE FOR THE ARTS.

Department of Infrastructure, Transport, Regional Development, Communications and the Arts.
